About Us

PT. Seafood Sumatera Perkasa ("SSP") is a seafood processing plant. SSP is owned and operated by an experience management team for more than 20 years. The seafood products are washed, cleaned and prepared for consumption. Then they are frozen and packed for exportation purposes.

Approximately 90% of SSP's products are exported to Europe, Middle East, Russia, Korea, Australia and other countries. We are continuously increasing our variety of premium quality products to meet the needs of the market.
